Senior Rainbow Assistance Program COVID-19 Response

Basic Necessities Program

With the devastating effects of the Coronavirus pandemic, we made some changes to our Basic Necessities Program. We now have the ability to assist those in the LGBTQ community who are under 55 and have been impacted by COVID-19. Our priority will be to the LGBTQ senior community, but we felt it was essential to be more inclusive during these trying times. You can find the application for this program at www.seniorrainbow.org/services.html

Donation Campaign

Over the next several months, the Senior Rainbow Assistance Program has a goal of servicing 35 applicants through the Basic Necessities Program. To help us accomplish this goal, we are hoping to raise \$10,000, so we can make a positive impact on as many LGBTQ community members who are in need during this crisis.

Since our launch on March 30th, we have currently raised \$1,100 of our \$10,000 goal and would like to meet our goal by May 30th.
